

Tails to Trails

Date: Saturday, September 20, 2008

Rain Date: Sunday, September 21, 2008

1:30 p.m. • Meet at the Black Brook Preserve parking area located on Windham Center Road

Do you hit the trail or spend time in the woods with your pooch? Join the Windham Land Trust and Dr. Kirk Keniston, MS, DVM from Lakes Region Animal Hospital for a fun and informative hike on WLT's Black Brook Preserve. We will discuss potential hazards and what to consider when exploring the outdoors with your dog.

This will be a great opportunity for doggy social time, a 1.75 mile walk through the woods, and to learn more about increasing the quality of your pet's outdoor experience.

Make sure to wear comfortable shoes and bring water for you and your dog.

Please note:

- Leashes 6' or shorter are required.
- Current rabies tag and up to date on vaccinations.
- No aggressive dogs that may be a threat to dogs or people.
- Be sure to clean up after your pet.

RSVP by calling Patrick Corey at 892-6164 or by e-mailing patrickcorey@roadrunner.com

This event is free and open to the public.
